DELving into Dance History is an opportunity to re-envision embodied dance history using the extensive video and multimedia resources of Jacob's Pillow. Designed for K-12 dance educators and college dance history enthusiasts, these new courses aim to support your remote and in-person teaching.

Each course is held on two consecutive Saturdays, and explores different aspects of Jacob's Pillow's Dance Interactive. Although this is designed as an ongoing series, each course can be taken on its own.

Led by Director of DEL at Jacob's Pillow Ann Biddle and DEL Facilitator Felice Santorelli, with special guest Norton Owen, Jacob's Pillow Director of Preservation.
