Dance Composition/ Choreography Workshop
Focus: Music and Dance Relationship

Saturdays, March 6, 13 & 20, 2021

11-2pm (EDT) NYC Time

Faculty: Anabella Lenzu

As choreographers, how do we deal with the relationship and overlapping layers so that dance, music, and the poetry of the lyrics intertwine to create the multifaceted and profoundly human characters you see on stage?
I believe that music acts as a partner to dance.
Music influences the dancer, the choreographer, and the audience, building a unique atmosphere around the stage, facilitating kinesthetic empathy.

During this three day workshop, we will explore the different relationships between Music, Movement, and Lyrics, stimulating your creativity.
