From choreographing for Diana Ross and dancing for Michael Jackson, to pioneering the fusion of jazz and street styles in 1970s LA, Billy Goodson is a living legend and pioneer of waacking. In this workshop, you'll enter a creative melting pot where waacking meets jazz, funk, and theatrical storytelling. Billy's signature style is rooted in precision, musicality, and flair, and he'll challenge you to explore new dimensions of movement and performance. This is more than a dance class—it's a journey through history, fusion, and the future of freestyle.

Part of the *Waacking to the Future* workshop series presented by Princess Lockerooo.
