Dance Teaching Methodology Workshop with Master Teacher Risa Steinberg

Company: Steps on Broadway Venue: Steps on Broadway Location: NEW YORK, NY Share | Print | Download

Physical and verbal clarity are imperative for instructors to master. This workshop focuses on these skills and others needed to be an effective teacher.

* Using precise vocabulary to communicate information clearly

- * Exploring the basic elements common to all styles and techniques, ie. use of space and music, breathing, transitions
- * Learning to develop a critical eye to address cause rather than symptom
- * Developing the structure and pacing of a class

The workshop begins with an Intermediate Modern class with Limon Influence from 10:00-11:30am for all participants. You may choose to either observe or take class. This class is open to dancers.
