Dance in Bushwick: Vol. 3 takes us into the belly of the bees. Honey's Brooklyn and Enlightenment Wines Meadery hosts our fine trio of dance groups in their gorgeous production space. [Dale Ratcliff](#) & [Ashley Menestrina](#), [BREAKTIME](#), and [Lir Katz + Co](#) headline our new collective format. Our show blends these companies with the pollination of our prompt, "honey saves the world". What will they find? Taste the spectrum of flavors from Honey's specialized cocktails made from mead, a honey based alcohol. How ferment-able!

Our show runs together, no breaks, no moments between one set to the next. Due to the nature of this event, we will not be able to take any latecomers. Come a bit early to make sure you have a tasty drink to contemplate and a few cool moments to buzz around the space. The show begins promptly at 8pm, and will run about 45 minutes.
