Eleonora Fae

We are having a set of free movement workshops and test shoots this weekend for movement artists, dancers, photographers and film makers. We are looking to involve movers and artists in a set of collaborative work/projects to develop movement specifically targeted for camera use. Includes choreography for film and photography projects

If you are looking to generate material and connect with artists to build up future site-specific projects please e-mail your information to Eleonora Fae at elyfae@hotmail.co.uk
