A new initiative brought to you by One Day Dance and Six Degrees Dance

On the first and third Saturdays of each month, our organizations will be hosting a two-hour open space for creativity and creation. Please join us for our next Lab on May 18 12-2pm at Gibney 280 Broadway, Studio W

This is a fantastic, FREE opportunity to meet other New York-based dancers and choreographers. Join in and discover new movement possibilities and share methods of movement and composition. You may even find someone that wants to work with you in the future! Artists of all mediums are welcome.
