Artist-in-Residence Brinda Guha presents an informal work-in-progress showing of Kalamandir Dance Company's new work "Womankind", a study of the feminine divine. "On our journey of finding where #ContemporaryIndian movements marries our personal movement styles and ideologies, we will also find out where our deepest truths lie as women-identified individuals walking the streets of New York City. In order to find this fusion, we create a safe space for guided introspection." - Brinda Guha
