January & February Daily DeFusion Movement Classes - TUESDAYS 7:00-8:00PM

A fusion of movement, mobility, and mindfulness. Combining cardiovascular exercise, strength training, yoga asana, Pilates, and mindfulness practices, Madeline's DeFusion classes take a holistic approach to mental and physical health. Daily DeFusion provides a variety of accessible classes that fuse different modalities of movement, mindfulness, and mobility practices into one daily practice.

At Dancewave, everyone is invited to dance!

All of our teachers create a community in class that is supportive and non-competitive. We are committed to providing opportunities for students to engage with a diverse range of movement styles. Taking class at Dancewave is about the joy of moving, building confidence, and learning together in an environment that celebrates individual expression and creativity.
