Celebrate AAPI+ Month with Diffraction Dance Festival featuring, from the team behind Resonance, 20+ choreographers sharing street, contemporary, and cultural dances from NYC and across the nation. Every show is a different line up! Every show will end with a short talk back with the choreographers providing an opportunity to ask them questions or share reflections! It's about creating a space to celebrate our stories, in our way, and take control of our narrative.

The lineup is different every day including dance styles like waacking, contemporary, traditional dance forms, ballet, popping, and more!

Live stream is available for our Friday and Saturday shows.
