Digital Dance Concert

The World Dance Alliance – Americas announces a call for dance-for-camera works for the second annual WDAA Digital Dance Concert, a double-blind reviewed online presentation of videoed choreographies and dance films created specifically for the camera. The Digital Dance Concert aims to offer a virtual platform for choreographers, companies, and dance filmmakers to present, promote, and disseminate their work.

The deadline for submissions is March 14, 2016.

To submit your film and find out more about this opportunity, follow this link:
