The Brides of Burlesque and Kinetic Cabaret Productions present an evening of fierce, unapologetic dance at Bizarre Bushwick! The July installment of EAT ME! A Variety Show brings the art of dance up-close for a visceral nightlife experience, featuring KineticArchitecture Dance Theatre, under the Direction of Arrie and Meg Bronson-Davidson, along with dancers Dara Swisher, Brittany Posas, Chiu-yi Chiang, Tara Lynn Steele, and Ae Andreas. The company has been described as "outrageous, boundary-bending, risqué, somewhat incomprehensible, and undeniably entertaining" - criticaldance.org. Guest stars include The Brides performing their signature cirque duo acrobatics, Vic Sin bringing her unique brand of drag meets dance, and the operatic mania of Shelly Watson.

Critically acclaimed and award winning choreographer Arrie Bronson-Davidson aka Faux Pas le Fae will bring several of her works to the stage.
