Tony Turner

EMERGE125 is the inaugural resident dance company of The Flea Theater. For their third year with The Flea, E125 offers two world premiere works, the first set to music from longtime company favorites, the Kaiser Quartett string ensemble. The second half of the program spotlights the newly-completed tripartite symphony of movement, *Rights of Renaissance*. Taken as a whole, this performance reflects the full breadth of EMERGE125's creative voice, from timeless modern dance to more urgent, socially-conscious, formally inventive presentation.

Performances will take place:

Thursday, May 23rd at 7:30PM (opening night reception included with Sponsor Ticket)
Friday, May 24th at 7:30PM
Saturday, May 25th at 7:30PM
Sunday, May 26th at 5PM
