Eric Bandiero

Drye/Marinaro Dance Company & Guest Artist join forces to share our truth through movement. Exposed offers a platform for artist to bring transparency to their past & present life experiences.

We live in a sensitive time afraid for our lives, afraid to be transparent, to be bold, to fail, and afraid to speak our truths. We must remember that "Love Conquers All Fear" and that in times like these it is most important to listen and to take care of one another.
