A forum for experimenting with choreographic choices and articulating your vision, this workshop allows the creative process to be a dynamic influence on your writing. Each session will offer an impetus for exploration, time to make two versions of your material and to examine their different possibilities with group feedback. Writing is integrated in the explorations and a draft project description will be the outgrowth of this process.

[Pele Bauch](#) is a choreographer and dance dramaturg who has been a grant writer, artist consultant, and foundation administrator. Her choreography has been presented by Brooklyn Museum of Art, Chocolate Factory, Danspace Project, and HERE. Residencies include The Joyce Theater Foundation and Dance Theater Workshop. Pele led workshops and residencies at The Field for 10 years.
