What began as a few thousand enthusiasts enjoying a handful of participatory art projects on beautiful Governor's Island has ballooned into a multi-day, multi-city international event.

In 2014, FIGMENT NYC seeks to continue its mission to offer free, inclusive and participatory art to our entire community, removing the barriers of museum and gallery walls and entrance fees and blurring the lines between those who create and those who enjoy art. This year, FIGMENT NYC will take place during the weekend of June 7-8. The ferry to Governor's Island leaves every hour from southern tip of Manhattan, east of the Staten Island Ferry Terminal. Visit Governor's Island and experience and create art!
