Stephen Delas Heras

shawnbibledanceco. presents, "FLOORED". "FLOORED" is a new work-in-progress that details highly physical and continuous elements of contemporary floor work. The dance is full of life, athleticism, and dynamic.

shawnbibledanceco. also welcomes two guest companies performing in our Fall production of "FLOORED."

Thea Bautista & Sarah Le Guenno will perform "the flaw in bond" as part of the evening. "Flawed Orbit" is a duet choreographed by Shawn Bible highlighting the beautiful lines these dancers create. Challenging phrase work and momentum sends a pulse of anxiety through you as techno music fills the air.

The Manhattanville College Dance Company of the Dance & Theatre Department, will join shawnbibledanceco. by presenting, "EightyEight", choreographed by Shawn Bible. "EightyEight" represents the 88 constellations found in the nighttime sky and the rich mythology associated with them.

There is a reception following both shows.
