The ETD & Guest Arts Residency will feature internationally renowned guest artists and practitioners.

- Conversations Under the Tree, 'The Drawing of Fears,' will help young performers discover more profound internal insight tactics for meaningful movement generation & implementation.
- Introduction to miraculous ancient Breath Coach Practices specifically designed to calm nerves, to stay grounded before auditions, and performances to manage daily stress.
- Learn ETD Repertory from [Factory|Refractory](#).
- The Business of Dance with Dancer and Tony-Award-winning Producer [Fran Kirmser](#).

ETD's mission is to provide diverse community arts programming, scholarships, & accessibility for young and mid-career Dancers and Performers regardless of gender, background, sexual orientation & training. All levels are welcome.
