Now that the summer is over, it's finally time to Fall for E125! Mark your calendars and get your tickets now to spend an evening with Artistic Director Tiffany Rea-Fisher and the EMERGE125 dancers as they make their triumphant return to NYC following two history-making tours in LA and across the entire state of Alaska! Celebrate this autumn homecoming with a night of artistry and creative fellowship.

Fall for E125 will include a pre-performance reception offering light refreshments, a display of silent auction items, and the opportunity to buy into our annual high-stakes raffle drawing! This is the last planned performance of the company for the 2024 calendar year, so you won't want to miss it!
