Perform in an open studio showing, gain new insights into your work, hone your critical perception, and get motivated by a weekly deadline - all when you sign up for The Field's signature 6-week workshop!

Fieldwork offers dance & performing artists the time and space to take risks, share works in progress, and to exchange non-directorial, peer-to-peer feedback in a studio setting. This upcoming 6-week session will be facilitated by dancer, choreographer, vocalist, director, and educator [Naoko Maeshiba](#). *NEW: We've updated the [Fieldwork Guidelines](#) to be more inclusive for artists of all identities.*

Up to 30 hours of FREE rehearsal space will be available for Summer Fieldwork artists through our Adopt-an-Artist program. Participating studios include the Bronx Academy of Arts & Dance, Brooklyn Arts Exchange, Spaceworks (LIC and Williamsburg), and Theaterlab. Free rehearsal space is available on a first come, first serve basis, and is not guaranteed for all registrants. Hours and terms are at the discretion of participating studios.
