Finì

Antonio Finì, founder/director of the Finì Dance Int'l Summer School held every July in Calabria, Italy, announces a Dance Challenge.

Because of the Coronavirus, the resourceful Finì offers an opportunity for applicants to dance at home and submit a video to win a full scholarship. Dancers of all ages and genres are welcome, and the deadline is June 20th. The winner will receive a full scholarship to the 3-week summer school, whose faculty includes celebrated teachers from Juilliard, Ailey, Graham Schools, and more.
