Drye/Marinaro Dance Company is excited to invite you to our informal studio showing! Join us for an intimate evening of movement as we present our current performing works: "Voices," a powerful exploration of mental health, and "The Giving Tree," a heartfelt adaptation of the beloved Shel Silverstein story blending ASL and dance.

This showcase offers a first look at returning and new Company Repertoire that we will be presenting in the coming months for our 15th Season! You will get to experience the raw emotion and artistry. Following the performance, we'll open the floor for audience feedback, giving you the opportunity to share your thoughts and be part of the creative journey.

Whether you're a dance enthusiast or curious about the creative process, come, connect, and help shape the future of these works!
