### Casting Call For Fashion Animation Film ( VR ) - Forbidden Fruit

#### Character

##### Debi

Born with unpaired muscles, Debi has a mother who was a successful circus career as an aerial dancer.

Her / Their dream is to become like her mother, however, her born unimpaired muscles has challenged her to become the same.

She finally still find a way out to perform with acceptance of her body.

##### Age

25 - 35

##### Gender

Queer | Non-Binary | Female | Any

##### Specs / Usage

This film is a virtual production, which only requires the actor to provide several video clips with movement and facial expressions for the character, the whole film is around 3 mins film and the usage for the clips will only be for portfolio and film festival attendance, not commercial purposes.

##### Goal for the project

Our for the project is to expose the disable performance community into a wider audience, for example, to fashion, where there are less body types to be seen, thought about, and know for.

##### Payment

We are having a budget around \$200 - \$500 USD for the actor / performer / dancer. We are also hoping this project can be supportive to the disabled community.

##### Casting end date

The deadline of Casting will be until the end of Febuary ( 2/30/2023 )

Will consider extend the date base on needs and requirements.

##### Location

Online / Hybrid ( 4 - 5 sessions for recording )

##### Documents

Please send any relevant cv / portfolio / showreels / headshot / resume / to following email and contact with title
