GlamourTango

City College Center for the Arts is proud to present Polly Ferman's GlamourTango for two performances on March 29th - 12 noon and 7 PM. The stunning, multi-media presentation features an all-female cast in a celebration of the art of tango from the Rio de la Plata region of South America, and a hats-off to the unheralded women who helped shape the great art, now popular and loved around the world. Mariana Parma is choreographer, and dancers are Parma, Karina Romero, Azul Ibanez Fernandez, and Valentina vire Avondet.
