H.T. Chen & Dancers

Welcome in the Lunar New Year of the Horse with H.T. Chen & Dancers. The program will feature three major works by the late H.T. Chen, who "...created a body of work that gives poetic voice to Asians in America" (The New York Times). Now under the direction of Dian Dong, the Company will present *Big Brother*, *Hidden Voices*, and excerpts from *Heart of Grace*, based on the Chinese Lion Dance to bring vitality and good fortune to all. Like all the Company's traditional Teahouse performances, the dancing will be followed with light refreshments.
