Clark Center NYC

There's nothing better than a great house party with dancing, especially when it raises funds to support the nonprofit Clark Center NYC and its efforts to preserve and share the amazing legacy of the Clark Center. So join us on October 6, 5pm - 8pm at El Barrio Art Space PS109. 99th street between second and Third Avenues. Admission: Pre event tickets \$20, at the door: \$25, seniors, students & children: \$15. <https://www.eventbrite.com/e/clark-center-nycs-60th-anniversary-house-party-tickets-70377175025>

Dance to the sounds of DJ Bert Morgan, a Classic DJ - Super Cool - Super Sweet - Playing Retro to Today's Hot Hits. Enjoy a bite to eat, a glass of wine, there will be special guests, door prizes and much, much more.

Have fun while supporting the work of Clark Center NYC as we remember one of our city's most profound spaces for the Performing Arts. A haven for Black artists and all interested in dance, choreography, music, theater and creating a positive and creative community.

Clark Center NYC is a 501c3 nonprofit dedicated to: Remembering Our Past Dancing into Our Future. www.clarkcenternyc.org.
