Finishing out [ADI's](#) five premier performances at The Kitchen this summer, Jack Ferver will present his darkly funny new piece [I want you to Want me](#). "I thought I would try to make something for everyone. You know, like ballet or a good subscription audience kind of play. I consider myself a populist, but some people really hate my work. They even hate me they hate my work so much. So I thought: 'Well, why don't I make a really pretty ballet or a play about a straight couple and their issues?' So that's what I'm going to do. Oh, I also just wanted to say, that not everyone is going to make it. I don't mean make it to the show. I mean make it out of the show alive."
