Impact

Company: Spark Movement Collective

Venue: Actors Fund Arts Center

Location: Brooklyn, NY

► [Share](#) | [Print](#) | [Download](#)

Spark Movement Collective premieres *Impact*, an evening-length dance in collaboration with live music from Cloud Fighter and Conrad Clifton. This new work explores how different people and milestones shape who we become and how we interact with our environment. Inspired by dancers' experiences and classic archetypes, *Impact* weaves together multiple narratives to examine personal growth.
