Raquel Beauchamp; Dancer Allie Hutchins

American Liberty Ballet's annual production of *In A Nutshell* ain't your average holiday ballet show, that's for sure. Replace the glittery backdrops and sugar-plum fairylands with beloved, fast-paced scenes of iconic New York spaces like the subway, Brooklyn Bridge and Wall Street. The rat kerfuffle even takes place on a NY-bound plane. But Tchaikovsky's beautiful score still sets the stage, a technically rich and magical snow scene still dazzles, and Fritz is still a pain in the neck. Catch it with the family at Theatre 80.
