Queens Theatre debut. Inspired by the parallel between the earth's core and that of the human body, *Inner Sun* celebrates the human spirit's ability to create the warmth and power that drives our journeys.

Inner Sun illuminates the stage with joy as the dancers move from sweeping circles to strong stage formations using body percussion, gestures and rhythms drawn from Koresh's folk roots and the human experience.

Koresh Dance Company
 14 United Nations Avenue South Flushing Meadows Corona Park
 Queens, NY, 11368
