The Isadora Duncan dance technique, as taught by world-renowned Duncan authority Lori Belilove, is a beautiful, free flowing art form perfect for all ages.

The workshops begin on the floor with fluid warm-up movements and breathing exercises, then progress to standing and moving through a series of Duncan movements that expand upward and outward to flow through the entire body. Particular attention will be paid to the musicality within the Duncan tradition as the students accomplish skips, runs, leaps, polkas, and waltzes. All of the classes include a creative time for improvisation. For further information contact David Johnson at 212-912-2323 or djohnson@ymcanyc.org.
