Jonah Bokaer Choreography kicks off its 15th Anniversary with a long-awaited Joyce debut. Eight international dancers present visually striking works rarely seen in the United States, including the world premiere of *Late Nights On Air*, which features live music by Nico Muhly interpreted by renowned violin duo Angela & Jennifer Chun. Master Architect Charles Renfro designs the evening with a "total environment" that integrates design, space, and light.

Master Class: Fri, Oct 26

Pay What You Decide: Sun, Oct 28 (see <http://www.joyce.org/pay-what-you-decide> for more information)
