Juliana F. May presents FOLK INCEST at Abrons Arts Center

Company: Abrons Arts Center

▶ [Share](#) | [Print](#) | [Download](#)

Venue: Abrons Arts Center

Location: New York, NY

Presented as part of the 2019 American Realness Festival

In FOLK INCEST, five women interrogate seemingly unrepresentable subject matters including the Holocaust, sexual trauma, and the fetishization of young girls. As pop cultural references, genres, and bodily traumas compress into each other, the work's biting humor offers catharsis, simultaneously critiquing and supporting abstraction.

Abrons Arts Center
466 Grand Street
