Jiva Dance is excited to present a showing of its new work- in-progress production, Kaleidoscope. We look at nature as a kaleidoscope of interconnected parts that work together to create a complex whole. When shifted, results in something totally new, something unexpected, something challenging.

Come join us to see some very original and creative works...

Dance by Sonali Skandan, Anugraha Sridhar, Ramya Sankaran and Shrutivandana Sharma.

Join us July 22 at Gibney Agnes Varis Performing Arts Center, Studio W for a showing.

Tickets - general admission: \$22
