## Know Your Movement Language Intensive

Company: Balance Arts Center  
Venue: Balance Arts Center/Zoom  
Location: New York, NY

In this weekend intensive, you will learn and practice Laban's vocabulary in action. Participants will learn to describe movement in detail and lead students in a movement experience. We will explore systems of reference, spatial directions, actions, spatial measurement, paths, and dynamics. Having a full vocabulary at your fingertips helps improve your observation and communication skills. There will be a text for the course.

Both in-person and online.

Saturday & Sunday, 10-1 & 2-4

\$300
