EVERY OTHER SUNDAY, starting August 23, KDC will offer SYNERGY in partnership with Love & Kindness Wellness Services. The course will take place via Zoom. Come as you are... Leave invigorated!

Tickets: \$20 | [RSVP HERE](#)

Course Description:

SYNERGY: FITNESS AND MEDITATION

Synergy aims to provide participants with the opportunity to self-care in the presence of community. In this workshop we explore our embodied knowledge by using dance movement, traditional Haitian drumming, controlled breathing, concentration, and whole body movement. As we embrace our full selves through our emotions and movements, we will encourage consistent practice and growth in a workout that centers holistic health and thoroughly acknowledges that there is healing in movement.
