Calling all choreographers and performers! Submit now to participate in an evening of live music and dance at Ridgewood's premiere community dance space, The Woods. Our goal is to raise funds to send to the victims of Oakland's tragic fire that consumed a beloved community art space and killed dozens of young artists, performers and party goers. We are still accepting submissions of roughly 3-10 minute pieces (longer will be considered) to present as part of this evening's event. Cash bar, \$10 donation to enter, art by local artists for sale, and 100% of proceeds will benefit the victims' families.

Please send brief description of work, links to rehearsal/performance video if available, # of dancers, and any props/sound/lighting requirements to KTMARCYMO@GMAIL.COM. ((Tech/run-through Friday, Dec. 16 - artist presence not required, but highly recommended, so you get a feel for the space.))
