Dancer/choreographer Laura Pawel brings her ensemble of dancers and musicians to Chen Dance Center for the premiere of "Sunset Beach," named after a section of Vancouver's waterside park where locals and tourists gather at sunset to enjoy the beautiful scenery. The new work, and all dances on the program, have live music performed by the composers: Phil Stone on keyboard, Barebones (harmonica & guitar), and The Cecilia Coleman Quartet who, like the dancers, are longtime Pawel collaborators. The Company's style combines set and improvised movement and words.
