David Dorfman Dance's *truce songs* is a wild and personal meditation on peace with self, others, and the world. Employing the company's trademark style of merging highly athletic dancing with poignant emotion, this abstract work of movement art is devised dance-theater for all audiences. Dancing bodies serve as conduits for momentary peace as the company mines the depths of power-crazed existence looking for foibles and laughter, perhaps our most powerful tool of all. *truce songs* features visuals by Andrew Schneider, costumes by Naoko Nagata, and live music by Lizzy de Lise and Sam Crawford.

There are two ways to access this free event: 1. General Admission, first-come first-served. Just show up! 2. Fast Track opening the Monday before the event at noon.
