From August through December 2018, this companion exhibit to Greenfield's latest monograph, "Lois Greenfield: Moving Still" will be on display at the Norton Center for the Arts in Danville, Kentucky. Celebrating the recent work of the renowned female photographer who has defined dance photography for decades, this new exhibit features her latest collection of enigmatic moments, caught beneath the threshold of perception.

This exhibit is free and open to the public 9 am – 4 pm Monday through Friday, as well as by appointment and when the Norton Center is open for concerts and related activities.
