Description of the work: Hush is a dynamically empowering and electrifying work that features four dancers as they navigate through the lives of Harriet Tubman, Ida B. Wells, Rosa Parks, and Alice Paul. Set to music by Sons of Kemet, and choreographed by Derick McKoy, Jr, Hush discusses themes of freedom, equality, and an individual's potential for greatness.

\*McKoy Dance Project is monitoring the current situation of COVID-19 and the effects of the Omicron and Delta variants. MDP is committed to the safety of our staff, dancers, and community members. In-person workshop participants of MDP + YOU workshops are required to have proof of full vaccination.
