Max Pucciariello

In celebration of its 35th Anniversary season, MOMIX returns to The Joyce with Alchemia, the latest creation by Founder and Artistic Director, Moses Pendleton. "The sheer physicality of Alchemia is breathtaking; a brilliant journey into a surreal otherworld where earth, water, air, and fire—in the form of dancers, music, lighting, and props—come together." (Philadelphia Inquirer). This stunning and uplifting work speaks deeply to the heart, mind, and spirit as "Pendleton takes us on a journey of sensorial dimensions of paintings moving freely into the third and fourth dimensions."
