MOVEMENT

NYC Premiere - November 1-2, 2024

Run Time - 1 hour and 10 minutes with no intermission.

"Netta Yerushalmy is changing our view of modern masterpieces." – Dance Magazine

Experience the groundbreaking synthesis of a multiplicity of cultures and genres with *MOVEMENT*, an electrifying performance by acclaimed choreographer Netta Yerushalmy. Witness over one hundred dance citations woven together into a radical quilt, challenging their boundaries until their pluralistic vision nearly bursts.

MOVEMENT is a continuation of Yerushalmy's ongoing practice of repurposing, reorienting, and re-contextualizing dance, spinning fragments of seemingly unrelated works into an enthralling new whole. This maximalist performance shines light on dance as an inevitable and unifying force in a brittle and confused world.

The performance features a new score by award-winning composer Paula Matthusen and is performed by dancers hailing from Korea, Senegal, Taiwan, and across the USA.

Netta Yerushalmy is a choreographer and performer based in New York. Her research-based dance-making is propelled by a passion for, and trust in, the body as a site of ineluctable knowledge. Her work is aesthetically and ethically committed to generating questions, not answers. She has been recognized with many prestigious awards, including a United States Artists Fellowship, Guggenheim Fellowship, Princeton Arts Fellowship, National Dance Project, Foundation for Contemporary Arts Award, Research Fellowship from New York Public Library for the Performing Arts, and a New York Foundation for the Arts Fellowship. She started to choreograph at age 17 and has created more than a hundred dances.

NYU Skirball is located in the heart of Greenwich Village, historically a center of resistance, dissent and free thinking. NYU Skirball's programming reflects this history and embraces today's renegade artists and companies, presenting works that aim to engage, provoke and inspire audiences. NYU Skirball is NYC's home for cutting-edge performance, artistic research, and discourse, holding close to James Baldwin's dictum that "artists are here to disturb the peace." The 800-seat theater provides a home for internationally renowned artists, innovators, and thinkers and presents ground-breaking events ranging from re-inventions of the classics to cutting-edge premieres, in genres ranging from dance, theater and performance arts to comedy, music and film.
