Hofesh Shechter's CAVE

The Martha Graham Dance Company's Studio Series continues with an open rehearsal on Monday, October 9, at 6pm.

This open rehearsal, on the eve of the Company's tour to Spain, Germany, and Italy, offers an intimate look at two works that span 75 years: Errand into the Maze (1947), Graham's transformation of the myth of the Minotaur as a journey into a woman's confrontation with fear; and Hofesh Shechter's electrifying CAVE, a full Company work that premiered in 2022. The evening will include a conversation with Graham Company Artistic Director Janet Eilber and the dancers.
