Modern Dance Winter Workshop: Students are invited to join [Becky Brown](#) and [Shay Bland](#) for a uniquely crafted program designed to enhance dancers' modern dance training with specialized classes in the Limón and Horton techniques. Dancers will be challenged to approach movement phrases with specificity, clarity, dynamics, and individuality. Participants will also explore the question "who am I as dancer?" as they discover their personal voice and improve their marketability. Daily classes include Limón and Horton technique classes as well as choreographic movement sessions. View the full schedule [here](#).

Dancers ages 15+ are invited to register for either the full workshop or a single day of classes.

Thursday, December 28 - Saturday, December 30. 4:30pm - 8pm.
