

April, 1-10, 2014

Morning Class with Jon Kinzel

Company: Movement Research
Venue: Danspace Project
Location: New York, NY

► [Share](#) | [Print](#) | [Download](#)

This class is designed to access multiple threads at once such as: greater range of motion and articulation, isolated and momentum-driven movement forms, sense of scale, rhythm, alignment, ascent and descent, and dancing that supports a balanced square orientation over a vertical axis.
