Matriarchal Business: An Inevitable Future

Virtual Only

A Naturally Decolonized Framework for Businesses, Consumers and our Greater Communities

In this session, we will explore the roots and far reach of colonial business practice, how to recognize harmful capitalist signaling (particularly in modern marketing), and relearn what it means to reclaim systems of efficiency, profitability, and natural reparative justice.

Teacher: Clarinda Braun

Fees are sliding scale:

\$10-25 per class / event

\$40-\$100 all-access

Scholarships available

Class address and Zoom Links will be emailed to you 1 day before the event.
