### Introductory Teacher Training Program

Join us for a transformative 3-day training designed for dance professionals eager to bring the power of movement to older adults of all abilities. This in-person training is based on DVP's award-winning MOVEMENT SPEAKS® model, equipping you with the skills to lead creative aging programs in your own community.

Led by Artistic Director Naomi Goldberg Haas and DVP's expert teaching artists, this immersive training provides hands-on learning, live class observations, and guided teaching practice with older adults.
