This fundraiser is a performance and art exhibition called "My body, my home," organized in response to the recent passage of laws strictly limiting abortion rights in Alabama, Georgia, Missouri, and Ohio.

We invite the artists explore the idea of personal autonomy and what it has meant to them- what does it mean to have the government give you "rights" over your own body? What does it mean when they are taken away?

Tickets are \$12 in advance and \$15 at the door

Come join us at 5pm on Saturday, August 17th for food and drinks, good conversation, good art, and a good cause.
