INDELIBLE DANCE PRESENTS: NO MAN'S LAND
 THREE NIGHTS ONLY //

Dancer Mira Cook -- 8 months pregnant in real life -- stars in this unprecedented story of a woman at a cosmic crossroads. Travel through ancestral memories to visions of her far-future descendants, meeting at the locus of the unborn potential she carries.

While expecting dancers are typically driven off-stage, this show was built specially around Mira's real-life baby-to-be. Artistic Director Robin Cantrell, herself child free, paints a stunning portrait in light and motion inspired by her own path not taken.

Expect the unexpected in our amazing Williamsburg warehouse space, with gorgeous dancers, beautiful music, premium food and drink, special surprises and a dance after-party with the performers!
